

FINANCIAL ANALYST

ABOUT COIN METRICS

Coin Metrics is a leading provider of cryptoasset data for institutions. We deliver transparent and actionable data and analytics to various industry stakeholders including asset managers, custodians, trading venues, research desks, and data/application providers. Coin Metrics' data empowers its clients and the public to better understand, use and value open crypto networks.

JOB DESCRIPTION

Coin Metrics is recruiting a Financial Analyst. Our Financial Analyst

Join a fast-paced startup pioneering novel metrics, data products, and intelligence solutions, which offer insights into the economics, markets, usage, health, and other aspects of public cryptocurrency blockchains like Bitcoin and Ethereum and other crypto networks.

You will be surrounded by talented people passionate about decentralized economies and the data behind them. Break new ground, create exciting new products, and help shape the future of finance.

Key responsibilities include:

- Analyzing current and past financial data and performance
- Preparing reports and projections based on this analysis
- Providing financial analysis and forecasting
- Identifying trends in financial performance
- Exploring investment opportunities
- Evaluating capital expenditures and depreciation
- Handling or overseeing accounting and bookkeeping duties (including invoicing clients, confirming journal entries, paying vendors and contractors)
- Preparing monthly performance dashboards and investor reports
- Managing company tax filings and/or audits

LOCATION

Greater Boston, MA (remote considered)
