

Announcement - August 20, 2024

Restatement of Indexes:

CMBI 10 Index
CMBI 10 Even Index
CMBI 10 Excluding Bitcoin Index
CMBI Total Market Index
CMBI Smart Contract Platforms Sector Even Index

Coin Metrics announces the restatement¹ of the following indexes: CMBI 10 Index, CMBI 10 Even Index, CMBI 10 Excluding Bitcoin Index, CMBI Total Market Index and CMBI Smart Contract Platforms Sector Even Index.

This restatement is due to missing data for the asset Solana on July 29, the rebalance reference date. We have obtained the missing data and have recalculated the history for the above indices effective August 20, 2024.

The table below shows the price return of impacted indexes before and after the restatement, along with the differences in index returns.

Price Return (%) 8/1/2024 to 8/19/2024
